Attorney's Docket No.: 12932-003001

REMARKS

Applicants have amended claim 50 to replace the term "host-versus-graft disease" with "an immune response to organ or cell transplantation." This amendment has been made to more clearly and distinctly claim the invention. This amendment is supported in the specification, e.g., at page 18, line 22 - page 19, line 5. No new matter is added by this amendment.

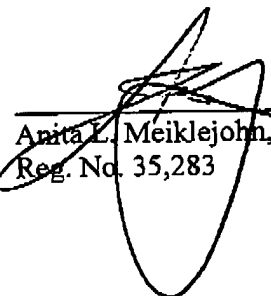

Claims 58 and 59, depending from claim 50, have been added to recite specific types of organ and cell transplantation. This amendment is supported in the specification, e.g., at page 20, lines 7-11. No new matter is added by this amendment.

Attached is a marked-up version of the changes being made by the current amendment.

Please apply any other charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Date: 25 January 2002

Version with markings to show changes made

In the claims:

Claim 50 has been amended as follows:

50. The method according to any one of claims 43-47 wherein the immune-mediated damage is caused by organ or cell transplantation [host-versus-graft disease].
